

Fiesta In The Q Event Schedule 12/8/2016						FITQ LOGO		City of Albuquerque Golf Training Center 9401 Balloon Museum Dr NE Albuquerque, NM 87113									
Time	Fun and Entertainment					Education								"Rolling Road Show" The BIG Equipment			
Location ->	Main Hall	Main Hall	Main Hall	Out	IN	Tent #1	Tent #2	Main Hall	Main Hall	ABB Truck	ABB Truck	Patio	Outside	Outside	Outside		
11:00 - 11:30	Food and Soft Drinks*			C H I P P I N G P L I N K O *			VRV Optimization		Economical Building Automation*	VFD Harmonics*	Energy Savings with VFDs*	Underground Duct Assembly*	ABB - The Drives and Controls Experience	Aaon - Trailer Displays of Roof Top Units and Split Systems	Daikin - Ideas in Motion Road Show		
11:30 - 12:00			Raffle			Louvers and Sunshades											
12:00 - 12:30								Seismic and Wind Compliance									
12:30 - 1:00			Grill Raffle														
1:00 - 1:30						Fan Wall Technology										Refrigerant Update	
1:30 - 2:30			Raffle														
2:30 - 3:00																	
3:00 - 3:30																	
3:30 - 4:00																	
4:00 - 4:30		Bar Opens				Dedicated Outside Air Systems											
4:30 - 5:00			Raffle				VRV Piping 101										
5:00 - 5:30																	
5:30 - 6:00			Grill Raffle					Fan Wall Technology								VRV Optimization	Make A Perfect Flare
6:00 - 6:30																	
6:30 - 7:00			Raffle														

* Reccurring throughout the day

Education Topic	Vendor	Location	Presenter	CE Hours	Time (min)	Description
Louvers and Sunshades	Ruskin	Tent #1	Rick Cravy	Y + AIA	45	Sizing and Application of Architechtrual Sunshades and Louvers
Fanwall Technology	NAS/Temtrol	Tent #1	David Lunow	Y	45	Fan Wall Applications and Control Strategies
VFD Harmonics	ABB	ABB Truck	Dan Evans		20	Learn about electrical noise. See actual measured harmonics and the impact of different filter types
Energy Savings with VFDs	ABB	ABB Truck	Dan Evans		15	Demonstration of different flow control strategies and impact to energy usage.
Dedicated Outside Air Systems	Aaon	Tent #1	Eric Norris	Y	45	What is DOAS? Learn about application, sizing and operational considerations.
Underground Duct Assembly	AQC Industries	Patio	Jim Tremann		20	Demonstration of underground ductwork fitting and pipe assembly. Clamp and gasket, tool overview.
VRV Piping 101	Varitec	Tent #2	Brian Fitzpatrick		45	Piping best practices, planning and installation techniques for VRV systems. Best participation is worth 3
Make a Perfect Flare	Varitec	Main Hall	Brian Fitzpatrick		5	Demonstration of pipe flaring techniques. Test your skill. Win a prize.
Economical Building Automation	Daikin	Main Hall	Wes Disselkoen		15	Demonstration of integrated factory controls by Daikin
Seismic and Wind Compliance	VMC Group	Tent #2	Danielle Taylor	Y	45	International Building Code 2009/2012/2015 Seismic and Wind Compliance for Non-Structural Compone
Refrigerant Update	Daikin Applied	Tent #1	Dave Martin	Y	45	Overview of EPA SNAP Action Ruling. The future of Refrigerants
VRV Optimization	Varitec	Tent #2	Joe Higham	Y	45	VRV optimized system selection, zoning and sizing. Match equipment performance to zone peak and buil

**Fiesta In The Q
Information
12/8/2016**

Vendor Displays	Product Summary	Factory Rep	Location	Product Display
AAON	Rooftop Units, Air Handlers, Chillers, Heat Pumps, MUA, Controls	Eric Norris	Main Hall & Aaon Truck	Y
ABB	Variable Frequency Drives	Dan Evans	ABB Truck	Y
AQC	Pre-Insulated Underground Duct and Phenolic Duct Systems	Jim Tremann	Patio	Y
CCS	Field Erected Cooling Towers	Dustin Blumenthal	Main Hall	
Daikin AC	VRV Systems	Christian Kihara	Main Hall	Y
Daikin Applied	Chillers, AHUs, Rooftop Units, Fan Coils, Controls	Bill Kodosky, Wes Disselkoen, Dave Martin	Daikin Truck	Y
Daikin Comfort	Light Commercial DX Rooftop Units		Patio	Y
Daikin Parts	Daikin McQuay Factory Replacement Parts		Main Hall	
Denlar Fire Protection	Commercial Style Fire Suppression for Residential Grade Appliances	Jessica Tomczak	Main Hall	Y
Detroit Radiant/Re-Verber-Ray	Radiant Heating - Indoor, Outdoor, Portable	Derrick Aragon	Main Hall	
DriSteem	Humidification Systems, Water Treatment	John Rees	Main Hall	Y
Dynamic Air Quality Solutions	Air Purification Systems and Modules	Ray Markey	Main Hall	
IMI Flow Design	Automatic Flow Valves, Hose Kits, Hook up Components		Main Hall	
Krueger	VAVs, Terminal Units, Air Distribution, Chilled Beam	Mindy Espinosa	Main Hall	Y
Nortek Air Systems - Huntair	CleanSuite - Operating Room Modular Ceiling Diffuser Systems	Andrew Hall	Main Hall	Y
Nortek Air Systems - Temtrol	Air Handling Units and Fan Wall Technology	David Lunow, Tyler Swartwood	Main Hall	Y
Paragon	Flow Stations and Transmitters	Mike Chilingirian	Main Hall	Y
PennBarry	Commercial and Industrial Fans	Togy Philip	Main Hall	Y
PHP Systems	Equipment and Roof Pipe Support Systems		Main Hall	
Ruskin	Dampers, Louvers, Sunshades, Flow Measuring, Penthouses	Rick Cravy	Main Hall	Y
The VMC Group	Seismic and Vibration Control for Building Systems	Danielle Taylor	Main Hall	

Fun and Entertainment	Description
Entrance Fee	We pay you. Show up, get a cup!
Food and Soft Drinks	Lots of good food and drink. Tacos, tamales, chips, soft drinks, water, juice and more!
Barista	Beer, Wine, Selected Liquors after 4:00pm
In-Show Raffles	Hang on to your tickets! Raffles include some very nice gifts. The Grill Raffle includes an Outdoor Food Prep Grill by Disc-It
Hole-N-One	Show off your putting skills, you might win! Who cares about a prize? Bragging rights is better anyways.
Plinko	Test your luck. Everyone is a winner! But how big?
After-Show Raffle	This is your Second Chance! The After-Show Raffle has a few big ticket items...

Grand Prizes	Description	
Disc-It (2x)	Custom Grill by Disc-It, also known as a "Texas Wok". The swiss army knife of outdoor cooking.	
Sponsored Trip to ASHRAE in Las Vegas (2x)	Trip to Las Vegas to attend the AHR Expo. Courtesy of Aaon. Visit their offsite show. We'll cover your flight and hotel expenses.	 
Building Control System (1X)	Building Owners, Contractors and Engineers: You could win the components necessary to equip your existing building or next job with the latest building automation technologies. There's one catch, you'll have to cover the installation (Sorry, gotta have some fine print...) Courtesy of Daikin Applied.
